Very good news. It will be a bit difficult to hear it here in Scotland – but I am so glad that many Americans will be able to hear it. I will post the news far and wide.

Are the radio show going to be recorded and archived like the World Without Gray 1-3 and the World in Black and White?

Yes. I will try and keep them up to date, and they can also be listened and downloaded from the RBN website. I'd love if someone can do this for me too (an archivist) on another site...
