Thankfully, my esteemed mentor, teacher, and friend has released his documentary free for public consumption.

He asks to only link the video, not copy, as the DVD will be for sale soon.

Please support him if you can at his website:

I “bought the CAFR teashirt” back in the late 1990s when Alex Jones had Walter on his Public Access show. A revelation it is, and Walter is to be commended. Now, Clint does well in explaining it to his audience, and is doing his damndest to beat up on Ron Paul and his wanting to End the Fed.

What Clint, in his sneering, snickering arrogance fails to take into account is, the reason the CAFR Assets are not available to relieve the tax burden is because CAFR Assets are COLLATERAL FOR THE NATIONAL DEBT and ALL FUNDED AND UNFUNDED LIABILITIES OF THE STATE AND FEDERAL GOVERNMENTS. The “PEOPLE’s Government” is nothing but a Holding Company for Banker Privateers. Sabe? Do you not see why an audit would help to identify the STOCKHOLDERS of the FED? It would crash the system.

Clint, you don’t get the whole picture or understand the strategy; so stop fighting those who are trying to do the right thing, and stop blaming US for “doing nothing about it” when in fact, it is YOU who doesn’t have a clue as to what to do!

It’s clearly beyond your grade school level.

I just came across your comment, and don't expect you to read this, but I'll give it a shot, because I really am curious.

Where did you get the info for your claim that those assets are collateral for debts? And who is responsible for seeing to it that they are used for that purpose, while keeping the general public completely ignorant of it?

You imply that you're one of those "trying to do the right thing." What is that thing, and how are you trying to do it?
