If you haven't heard...

**I am running for President of the United States (Incorporated).**

After such a close race in the 2008 campaign, I am hopeful for 2012. Please watch this Channel 3 news video about my 2008 campaign: (link)

<http://cafr1.com/WB4President.html>

And please visit my new website and read why I am really, truly running for president! I think you'll find that this is an idea who's time has come...

**The Un-Campaign is located here: (link) <http://clint4p.com/>**

Why vote for the same Republican and Democratic candidates, and expect different results? Isn't this the infamous definition of insanity? If something is broken, fix it!

Why the United States "Incorporated"?

Listen to the newly elected, Tea Party, junior Congressman Allan West tell you in his own words: (link) <https://realityblogger.wordpress.com/2011/08/01/congressman-confirms-united-states-is-a-corporation/>

**"...the President is the Chief Executive Officer (CEO) of this corporation called the United States of America".**

Also, check out my latest documentary: "The Great Pension Fund Hoax" at: (link) <http://thecorporationnation.com/>

I know where the money is, and after watching this, you will too!

I need your help to make this Un-Campaign into a serious thorn in the side of mainstream politics...

Thank you,

Clint Richardson

The United States Government is a corporation. The united States of America is NOT.

28 USC 3002(15)(A): “United States” means a Federal corporation 19 C.J.S. 883: “The United States government is a foreign corporation with respect to a state.”

The date is February 21, 1871 and the Forty-First Congress is in session. I refer you to the “Acts of the Forty-First Congress,” Section 34, Session III, chapters

61 and 62. On this date in the history of our nation, Congress passed an Act titled: “An Act To Provide A Government for the District of Columbia.” This is also known as the “Act of 1871.”

What does this mean? Well, it means that Congress, under no constitutional authority to do so, created a separate form of government for the District of Columbia, which is a ten mile square parcel of land.

In essence, this Act formed the corporation known as THE UNITED STATES. Note the capitalization, because it is important. This corporation, owned by foreign interests, moved right in and shoved the original “organic” version of the Constitution into a dusty corner. With the “Act of 1871,” our constitution was defaced in the sense that the title was block-capitalized and the word “for” was changed to the word “of” in the title. The original Constitution drafted by the Founding Fathers, was written in this manner:

“The Constitution for the united states of America”.

The altered version reads: “THE CONSTITUTION OF THE UNITED STATES OF AMERICA”. It is the corporate constitution. It is NOT the same document you might think it is. The corporate constitution operates in an economic capacity and has been used to fool the People into thinking it is the same parchment that governs the Republic. It absolutely is not.

AND FINALLY (unless you need more irrefutable evidence), such as noting in the Constitution that most often United States (the seat of the federal government) is separated from the many states.

Title 28, Chapter 176, Section 3002(15)(a, b, and c).

(15) “United States” means –

- (A) a Federal corporation;
- (B) an agency, department, commission, board, or other entity of the United States;
- (C) an instrumentality of the United States

Regarding your run for POTUS, you are living proof of what pot does to the brain.

At least the one we have in the White House now uses cocaine, which is a stimulant, instead of a hallucinogenic — and he can read and speak in a pleasant way, and has enough sense not to try to convince people that the Federal Reserve is “just a bank” and that they audit themselves and put their reports up on their website —

Maybe the Bilderbergers will promote you like they did Obomber, since you love the Federal Reserve so much.

And maybe they will donate to your phony presidential campaign, since you are doing such a good job of blowing smoke on the Ron Paul and Federal Reserve/London Bankster issue. If they throw you \$50 grand they will think it's worth it, since you are keeping the discussion on Ron Paul and the Fed from getting out of the quicksand.

Most people realize Ron Paul is a homosexual pervert, a thief, a liar, a fraud, who waves the el diablo. But a lot of people are still trying to figure out the Federal Reserve scam. People like you are doing a great job for the Zionist gangsters in blowing a lot of thick black smoke.

Hopefully Deanna Spingola will wake up and not have you on her show anymore, and you will continue to draw little to no attention here on your blog.

Wow. So I guess you aren't a fan? LOL!

If you, as with all other detractors, would simply point to the evidence that I am incorrect, I would be glad to make the proper correctiona.

If you are simply suggesting that my sources (government CAFR reports, federally required accounting standards, and the Federal Reserve Act) are incorrect, then please provide the source for that information and I will discontinue using these primary sources.

You are sadly without clothes, sir. Nothing you have stated here is backed by anything remotely close to substantial proof.

And by the way... your assumption that by presenting the facts about the Federal Reserve Bank makes me somehow support or "love" the bank itself just shows how ridiculous your presentations of Ad Hominem (personal attack), the bandwagon (popularity) fallacy, Strawman arguments, red herrings, and appeals to so many things through the use of these fallacies are. And they make your whole attack on me and not the subject at hand not only transparent, but completely ineffectual to anyone who can recognize these debate strategies.

Please leave constructive comments or cease and desist.

I feel bad for America, really bad. Here’s one guy that actually gets “it”, and of course the brainwashed sheep or corrupt sell-outs jump on him like a human trampoline. It’s to be expected, as this was the powers in control’s plan with media from the start. Good luck CR, you’re not alone but you surely are heavily out numbered.
